Dear Rozi,

We refer to your fax of 08th March 2018 (attached.)

We confirm the re-inspection timing and our surveyor from M/S LKK Auto Consultants will be conducting the re-inspection to said vehicle.

Dear M/S LKK Auto Consultants,

Please acknowledge receipt of the assignment and liaise with M/S Benedict Chan & Company on the arrangement.

We will separately email you relevant other documents.

Brief Details.

On 13/04/2017 at about 2210hrs, I was riding my motorcycle FBJ7679U along Yio Chu Kang Road towards direction of Ang Mo Kio, from direction of Serangoon, on left most lane. As I was approaching junction of Plantation Avenue, a vehicle SKV5217M which was travelling the opposite side of Yio Chu Kang road, then made a sudden right turn onto Plantation Avenue without giving way to me. I did not manage to brake in time thus collided onto the left portion of the said vehicle.

Due to the collision, I sustained abrasions on the fingers of my left hand, abrasions on both knees, bruised left knee, and sprained my right wrist. Due to the collision, the front fork of my motorcycle was dented inwards and there are some other damages which I have yet to check. After the collision, I called my mother who then came down to scene and later called for Ambulance. Upon Ambulance arrival, I was later conveyed to TTSH. I wish to state that I am unsure if TP had come down to scene after I was conveyed. My motorcycle is not equipped with any CCTV. I am unsure if there are any CCTV at where the accident happened.

Brief Details.

On 13/04/2017 at about 2210hrs, I was riding my motorcycle FBJ7679U along Yio Chu Kang Road towards direction of Ang Mo Kio, from direction of Serangoon, on left most lane. As I was approaching junction of Plantation Avenue, a vehicle SKV5217M which was travelling the opposite side of Yio Chu Kang road, then made a sudden right turn onto Plantation Avenue without giving way to me. I did not manage to brake in time thus collided onto the left portion of the said vehicle.

Due to the collision, I sustained abrasions on the fingers of my left hand, abrasions on both knees, bruised left knee, and sprained my right wrist. Due to the collision, the front fork of my motorcycle was dented inwards and there are some other damages which I have yet to check. After the collision, I called my mother who then came down to scene and later called for Ambulance. Upon Ambulance arrival, I was later conveyed to TTSH. I wish to state that I am unsure if TP had came down to scene after I was conveyed. My motorcycle is not equipped with any CCTV. I am unsure if there are any CCTV at where the accident happened.

Adjustment/Recommendations

We have thoroughly inspected each and every item on the estimate against the physical damage found on the vehicle and we have listed the breakdown of our finding and our recommendation.

The repairer has agreed to undertake the job at a lump sum of **\$5,700.00** on a contractual basis. Under normal circumstances, the repair period would be about **10 (Ten)** working days.

Yours faithfully,

Constant Appraiser Services
