CONTINUATION OF REPORT

Report No. F/20180314/2063

After the horn, the driver moved back to his lane and then speed up and maneuver his vehicle 45 degree placing his vehicle between my lane and started applying his vehicle brake forcing me to lane 1 towards the railing.

I then stop my vehicle to prevent collision with the railing, the driver also alighted from his vehicle and slam his fist on my bonnet, after which he came to the driver door and open my car door and slam about 3 time against the railing and shouted vulgarities at me and told me to alight.

After alighting, the driver keeps shouting vulgarities at me and claims that I hit his vehicle and wanted report the matter, I told the driver since he wanted to report the matter we should exchange particulars however he refused and left in a hurry.

After the driver left, I made a check on my vehicle and discovered that my driver door was dented due to the slam and scratches on my left from bumper due to the other driver maneuvering.

After the incident, I felt so nervous and I can't sleep at all and I was given 3 days of medical leave due the stress and headache from to lack of sleep.
