Dear Chee Heng,

**ACCIDENT INVOLVING SKS 7887G (Insured) & SH 6678M ( Third Party) ON 14/03/2018 ALONG JLN AWAK BUKIT**

We refer to the above matter

The third party reported that he was driving straight, suddenly OI make a sudden change lane on TP's left and hit onto TP.

Insured reported that he was driving straight when traffic light turn green, merging lane TP attempting to squeeze passed OI's vehicle.

During our tele-conversation with Insured Ms Cecilia Tan, she strongly dispute the claim, she mention that TP squeeze passed her vehicle.

Based on the circumstances of both parties and available information in hand. We are in the opinion that based on OI's video, even is merging lane but OI all the while is in front of TP.

As such, we intend to reject the claim.

Kindly advice on your view/opinion/instruction for this claim.

Thank you

Best Regards,
