Dear Sirs,

ACCIDENT INVOLVING SJM 3015 B AND SJP 9081 D ON 18/3/2018

I refer to the above matter.

I am the owner/driver of SJM 3015 B who was involved in the abovementioned accident as a result of the gross negligence caused by your insured driver of SJP 9081 D.

Please be informed that I am now holding your insured driver responsible for all my outlays as a result of the accident. In line with the new implementation on 1st May 2011, kindly arrange for survey to my vehicle as soon as possible at Shu Fatt Auto Works, Block 1009, #01-90, Bukit Merah Lane 3, Singapore 159723 (Tel: 6273-0119/Fax : 62707065).

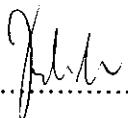

I will appoint my own adjuster and claim survey costs in addition to my other disbursements if:=

1. My vehicle is not surveyed within 2 working days
2. There is no confirmation on your part (within 5 working days from date of survey) regarding liability dispute

This confirmation is very important to me as I will have to revert to own damage claim with survey report from my insurer's panel should your insured or his/her driver breached policy condition/s or for reason/s unknown to me now.

Please arrange for survey as soon as possible and confirm liability and I look forward to your early confirmation.

Yours faithfully,

.....
