Brief Details.

On 19/3/2018 at about 1730hrs, I was travelling along Bukit Timah Expressway which I had just exited from Kranji Expressway. I then would like to switch lane to the most right lane. While I was at the third lane, the lorry then side swiped me from the back and my right side. The lorry also hit on my right side mirror and thus I wobbled and fall on my right side. I suffered abrasions on my right elbow, my left forearm and my two knees. The road condition was slightly wet. The ambulance and traffic police came and attended to me. I was not conveyed and I was advised to lodge traffic police report.
