Brief Details.

ON THE ABOVE MENTION DATE TIME AND LOCATION

I was at Neil road just before the taxi stand. There were two parking lots and I took the front one. Then another car driven by an Indian tried to park in the second lot and wanted me to move further to the front. I did so but he wanted me to move even further forward. It was already very tight, then he started to harass me by taking photos with his headphone and forcing me to move even further forward. He opened my door and was very rude when I explained to him that I would not be able to get out later. Then he started taking photos of me and when I got a call booking to pick up a passenger, he started to bully me further by sitting on my car bonnet and not letting me move off. He also took a photo of me through the front windscreen and jeered at me. Nevertheless, I moved the vehicle out of the parking lot and left for the call booking job. At the same time I called my company ComfortDelgro that another driver tried to bully and harass me. My company advised me not to get into trouble with him.
