Brief details.

On 22/03/2018 @ 2005 hrs, at opened car park near to Blk 12, Holland Village. I parked my car SKD 7418G, a black colour Audi Q5 in one of the lots which also near to Holland Village. I then left the place. Before I parked at the car park, there were 2 persons waiting at the queue for parking lot. I then managed to park at one of the lots. I can see one of the two persons, a Chinese guy with a lady presumed his 'wife' or girlfriend. From his facial expression, he was unhappy. I then used hand gesture as to ask him "What happened, or any problem?" he didn't wind down his window. He didn't wind down

his window, there's no communication between us. I then left the place and went for my dinner.

On the same day @ 2115 hrs, I went back and retrieved my car and discovered that my car was vandalised. There's a long scratch of deep cut probably by a sharp metal or object from the driver side (right side) front bonnet to the rear right boot area. The cost of repair is about S\$3000/=SGD as informed by the Audi Workshop from Alexandra Road. I am not sure whether there is any CCTV at the area I have parked. This is the first time this thing had happened. I am lodging this Police report for insurance claim and also Police investigation.
