Brief Details.

On the above mentioned date, time and location. I was with 2 other colleagues and I parked my vehicle at the Basement 3 carpark, Lot 24 at about 1210hrs. After lunch, when I returned to my vehicle. I noticed that there was a dent and some cracks with chipped paintwork at the left rear passenger door of my vehicle. I am unsure how it happened, but I know that it was not present before I went for lunch. When I first parked my vehicle at the location, there was no other cars beside me. However when I returned, I noticed that there is a red Mercedes SGB944H which was parked on the left of my vehicle. I am not entirely sure if he was responsible for the damage to my car. I tried asking the security for CCTV footage, and they informed that they should have footage of the incident, however a Police report was necessary. I do not have any In-Car camera in my vehicle.

I am lodging this report for the necessary police follow-up and for my insurance purposes as well.
