Dear Asher,

Please proceed to reject 3rd party claim on the basis taxi was straddling in between lanes and overtaking our insured vehicle. However, CDGE may come back for 50/50 as our insured did not signal his intention to filter into the right lane.

Dear Sir/Madam,

ACCIDENT INVOLVING GBC 4903D (OI) & SHA 4452C (TP) ON 28/03/2018

We refer to the above matter.

TP reported that OI filter right into his lane and hit front left portion of the vehicle.

OI reported that TP cut into his lane from the right and hit his vehicle.

Based on third party video and accident location clearly show that third party overtake insured from the right while insured in the midst of moving into the spilt lane to turn right.

We are of the opinion that liability is not in third party favour.

In view of the above, we are intending to reject TP claim.

For your approval/ comments/ instruction.

Thank You.
