WITHOUT PREJUDICE

Dear Sukyi,

We refer to the subject.

Our insured reiterated that the accident was due to the entire negligence of your client by hitting his vehicle from the rear.

We have reviewed the matter and basing on the circumstance of the accident and our insured's damage profile, we are of the opinion that our insured's report is more credible.

As such, we regret to inform your that BOLA 27 applies and unable to look into your claim.

Should you have concrete evidence to provide to prove your client's version, kindly send us a copy for our review and for our principal's consideration.

Best Regards,
Joy Irene | Case Handler
