Individual Statement

**Describe Circumstances of the Accident**

On 07.03.2017 @ 1030hrs, I was driving my car SJX8533G along Alexandra RD on Lane 2. At that point of time, traffic light was green. Out of a sudden, a car from the right turning lane changed lane to lane 1. The Van PC3229H in front of my car applied emergency brake to avoid the collision. Upon seeing this, I also made an emergency brake. My car was able to stop, but slid forward and collided into the rear of PC3229H.

After the accident, we alighted from our vehicles to check on the damages. We exchanged our particulars. I offered the driver of PC3229H private settlement and we agreed verbally. After I repaired my car, on 14.03.2017, the driver of PC3229H SMSed me that his boss wanted to report the accident. At the material time of the accident, nobody was injured.
