  - 2.4. As you are the appointed expert, please remember to state in your written report that you understand that in giving your report, your duty is to the Court and that you have complied with that duty.

Report No. T/20170315/2004

**CONTINUATION OF REPORT**

**Brief Details.**

On 14/03/2017 at about 1814hrs, I was driving vehicle bearing SLB4458J along TPE towards SLE/CTE and at that point of time the traffic was heavy and we were maintaining a safe distance and the taxi in front of me brake at a distance and we started to slow down and our vehicle almost fully stopped, the car vehicle bearing SKF9265G was driving behind me and he rammed onto the rear of my car.

After the accident myself and the other party went down of the car and exchanged particulars and the other party actually told us that he was distracted and thus lead to the accident. LTA and EMAS came and attended to us, subsequently after the accident I brought my wife to Khoo Teck Puat hospital to do a body check up as we sustained some injuries. After the check up, the doctor gave me 1 days of MC and 7 days of MC for my wife.

I wish to state that this is the first time that such incident happened and second time it happened for my wife.
