Dear Jimmy,

We refer to your below email.

We have been trying to reach and contact the TP repairer ever since but we are unable to locate and reach them. All emails and calls were not directed to them.

Our surveyor confirmed that the COR was not yet finalized pending for parts prices from the repairer.

As such, in view of TP repairer's being unreachable, we propose to submit our WP report without part's prices.

For your approval and/or further instruction.

Thank you.

Best Regards,
