Dear Ary,

We refer to your email of even date.

The accident happened on 20/5/2017 and the police investigation result was given on 28/8/2017. We are asking why your client had decided to submit claim almost 9 months later.

We are now liaising with our insured base on this police result and therefore unable to comment on liability. Please advise if you still wish to proceed with the pre-repair inspection first.

We reserve all our rights in relation to this matter.

Regards,
