APPEAL AGAINST NOTICE OF TRAFFIC OFFENCE (Report Number: 1710 0681 7011)
DATE OF OFFENCE: 22 April 2017
VEHICLE NUMBER: 5LE5622T

I have received the above-said notice and wish to appeal its described charge as the incident may not have been accurate to warrant that specific offence levied at me.

1. On 22/4/2017 at 5:23pm or about 5:45pm, I was driving along BKE towards Woodland Checkpoint on the second lane when I signaled right to filter into lane one, and joined the queue of cars after easing into the said lane. At the point of time, car traffic was heavy and was stop-startish.
2. Whilst waiting in my car, I could hear some commotion near the rear of my vehicle, and alighted to see what the matter was. It appeared that a couple of Malaysia registered motorcycles were involved in what appeared to be an accident with a Singapore registered car at Lane 2. As I did not witness the accident, I was uncertain how the events had occurred. But I did notice that a male Chinese, whom I believed was one of the riders of the Malaysian registered motorcycles, appeared to have some bruises and was sitting on the road.
3. The driver of the Singapore registered vehicle subsequently mentioned to me that the rider, presumably a Malay, of the other Malaysian registered motorcycle, had asked him for monetary compensation for the purported injuries that he had sustained. I advised him against doing so and that he should let the authorities handle the accident.
4. The driver of the Singapore registered vehicle also asked me if I could recommended him workshop in Johor Bahru to repair his car. Again, I told him he should report to his insurance company as his vehicle was a rented car.

5. Perceiving that police intervention was necessary, I called 995 to report on the accident, waited at scene, and co-operated with the investigation.

My contention in this matter is that:

- A. The switching of lanes was conducted without any incident, coupled with needful caution. The congestion that was building up at that time of the day.
- B. I was not accosted by any of the affected parties which would have provided me fair defense at that point of time.
- C. I rendered assistance where possible, and was also the one who contacted the police.

In view of the above circumstances, I urge you to consider my appeal against this traffic offence notice.
