Hi Shu Pei,

Insured submitted video footage for us to review.

Upon watching, the merging lane was kinda completed in view of the lane marking, TPV was behind OIV and under traffic rule, rear vehicle should be cautious and do not overtake front vehicle if not safe doing so. However, TPV attempted to overtake OIV and collision happened. In view of that, TPV is liable for the accident.

As such, please reject claim.

Regards,

George Lee
