Dear Vivian and Varsha

First of all , Thanks for your help.

On Saturday morning (19 May 2018) , I have sent my wife vehicle to AIG reporting centre (Cycle & Carriage Body & Paint Centre in Pandan Gardens) to report the accident. The AIG reporting centre say that they will send the report with photos showing the damage on my wife vehicle to you on Monday (21 May 2018).

I have also taken some photos during the accident to provide evidence that his Taxi was crossing over to the second lane and you can see from the photos his Taxi is very close to the back of other cars which is in front of his Taxi after the accident.

The first photo show the damage on the taxi no. SH 6848P and this first photo was immediately taken by us after the Taxi have hit against the right hand side of the back of my wife vehicle.

Best Regards

Peter Ng
