Brief Details.

On 13/4/2018 at about 0920hours, I was driving SGM3118Z at the first lane along TPE(SLE) at about 8.5KM mark just before exit 9 Punggol road, going at about 80km/hr. Suddenly, from my left side, I observed that there was a vehicle swerving out of control and came into my lane. I jammed brakes immediately but still collided with the vehicle. I then alighted the vehicle checked for damages. The left side of my vehicle was damaged. I took the particulars of the parties involved and the TP soon arrive after. The traffic police then took my SD card. My wife informed me that her left side of her body is in pain, the ambulance did ask if she wants to be conveyed but she declined. That is all.
