It was a chain collision accident involving 3 cars. My vehicle (SKE2530S) was the 3rd car followed by the 2nd car (SLQ9887S) and lastly the first car (SHB8895B). Due to the accident, the 1st car suffered slight damages to the rear bumper while the 2nd car suffered serious damages to the back bumper area and also the front bumper had slight damage. On the other hand, my car suffered slight damages to the front bumper. At that moment of time no one had any known injuries and all parties agreed to go our separate ways after we have exchange particulars. I also wish to state that no TP nor ambulance at scene. I also did not have any inbuilt video recorder. On the same day, I also received call at about 1241hrs from TP officer who informed me that someone from the 2nd car has been hospitalized and was advised to lodge a traffic accident report.
