FACTS OF CASE:

I am the above mentioned person.
 On 15/03/2018 at about 0445hrs, I was driving the vehicle
 S3Y 7990X heading back home to Serangoon Crescent. I was
 alone and winter was fine.
 I had come from the Bak Kut Teh eatery shop along River
 Valley Rd Hw 3E #01-08. I was there since about midday
 or thereabouts. I was there with some clients and I was
 doing some business discussion with them. I recall that I
 left the place at about 0400hrs or thereabouts.
 I recall that as I was turning right into CTE (AME),
 I was on the second lane from the right. I stopped
 at the junction as the right turn arrow was showing red.
 I was the first vehicle and when the right turn arrow turned
 green, I moved my vehicle forward and turned right.
 At this point, I may have slightly misjudged the turning
 radius or thought that there was another vehicle, which
 came into my turning radius. I cannot be sure of this or
 I may also have ~~maybe~~ been ~~also~~ tired due to my long
 day. But for some reasons, I steered my vehicle to the left
 and this resulted in my vehicle going ~~straight~~ straight and
 rounded head on into the centre divider at the

Junction of Cavanagh Rd and Bukit Timah Rd (Opposite the POSB building). The front portion of my vehicle had mounted the centre divider curb while the rear portion was resting on the roadway. I am not sure if the engine had stalled by itself or whether I had off the engine but I knew that the engine could not be started. Hence I alighted and ~~and~~ decided to call my friend who is known to me as ~~Arav~~ Aaron whom I had known for more than 3 years. Aaron is my regular person who ~~was~~ used to report to anything about my car, or ~~other~~ others previous cars. He was the person that I thought of as I know he operates a shop that does car related services. I told him about the accident and he told me to go home, take a rest and he will help me to settle ~~and~~ tow my vehicle. After Aaron's confirmation of allowing for tow truck, I decided to head for home. I ~~too~~ locked my vehicle and placed my car key on top of the rear right tyre as instructed by Aaron. I then walked to the Esso Petrol station nearby and from there I managed to head board a taxi and head home. I estimate my time at the scene to be about 10-15 mins.

Upon reaching home, I rested ~~and slept~~ as I was not feeling well after the accident. My head felt about throbbing. At about 10pm ^{in the morning} on the same day, I received a call from Aaron and was informed that ~~where~~ the tow truck did not manage to tow my vehicle. Shortly after, I received a call from the tow truck driver who informed me that when he arrived, my vehicle was already in the process of being towed away by the Police. I was also informed that my vehicle was braked at the front portion. I then went to Serangoon North NPC to lodge a Police report at about 1300hrs. I was informed by the Police Officers at the NPC that my vehicle was towed away by Traffic Police, and I was advised to wait for their call.

About 2 weeks later, I ~~and~~ received a call from Traffic ID Moral Azen who told he that he is still investigating into the matter. Subsequently on 02/04/2018, I went to Traffic Police to ~~last~~ see the ID. My statement was recorded and Signed: my vehicle was released to me. Recorded by:

My vehicle was then towed to Temwork Garage where an OD claim was submitted.
