CONTINUATION OF REPORT

Brief Details.

On the 15/03/2018 at about 0445hrs, I was driving SJY 7990X along Bukit Timah road towards Newton direction near to the junction of CTE. I was making my right turn into CTE (SLE) and I was driving on the second right turn lane. As there was vehicle that was also turning right on the first lane and there was a vehicle from the first lane and moved into my lane while it was turning right. I shifted my vehicle towards the left to avoid colliding with vehicle; my vehicle then just went straight and hit onto the road divider at the said junction near to POSB building. I came down and check and discovered that my vehicle damages were at the front engine area of my vehicle and my vehicle was on the road divider with the green railings contacting the front of my vehicle. I did not know what to do as I could not drive my vehicle anymore. Hence, I called my vehicle workshop and they inform that they will come and settle for me and also towing my vehicle. As I was not feeling uncomfortable, I then left the scene for home to rest. On the 15/03/2018 at about 1000hrs, I called my workshop to check on my vehicle and they inform me that they went to the scene but my vehicle is no longer there. I then came to Serangoon North NPP to lodge a report. And was inform that my vehicle was towed by the traffic police. I would like to state that I do not know and was not informed by my workshop that I have to call for the police when my vehicle hit onto a government property. Thus, I am lodging this report for the traffic police to follow up.
