Brief Details.

On 23/04/2018 at about 1515hrs, I was driving vehicle (SJH5114L) along Choa Chu Kang Drive before Choa Chu Kang Park going toward KJE. It was raining that day and the road surface was wet. While approaching the junction, the traffic light suddenly turned to amber hence the vehicle (SHD3606S) applied brake to his vehicle (SHD3606S). I applied brake to my vehicle (SJH5114L) as well and managed to stop my vehicle (SJH5114L) in time. The driver came out of his vehicle (SHD3606S) and told me that my vehicle (SJH5114L) front hit onto his vehicle (SJH5114L) rear. However, I make a check on both vehicles and there is no damaged to both vehicles. There is still a 3 finger spacing between both vehicles. Both parties took photos, exchanged particulars and left the scene. Nobody was injured during the accident. No government property damage. No police nor ambulance was at my scene. After which, I received a letter from my insurance stating that the driver had make a claim against me for the accident and he suffered from some back or neck injuries. I wish to state that I did not hit onto his vehicle (SHD3606S) and he insist that my vehicle (SJH5114L) hit onto his vehicle (SHD3606S).

Thank you.
