Dear Irene,

We refer further to the below email and to our telephone conversation previously.

We had spoken to the Insured Mr Tan where he disputed on the liability and insisted that the TP driver was at fault.

As such, we had requested for a copy of his video footage to support his version of the accident. Please find attached copy of the footage for your reference.

Based on the footage, we are of the view that Insured vehicle was within its lane while crossing the junction when hit by TP vehicle.

In view of the above, we intend to reject the TP claim.

For your approval and/or further instruction please.

Thank you.
