Brief Details.

On 23/04/2018 at about 6am, I was riding my motorcycle (JLC4916) along Admiralty Road. At that point of time I was on the 2nd lane. As I was about to reach the junction of Admiralty Road and Admiralty Drive, I saw a car (SLE3645B) from the opposite side wanting to turn in. As I past the junction, the said car make a U-turn and almost hit a motorcycle that was in front of me. The said motorcycle manage to avoid the collision. The said car then stopped in the middle of the road and I could not stop in time. As such my vehicle hit the said car. I wished to state that at that point of time the traffic light was green.

Due to the impact, I suffered some injuries on left knee, left shoulder and left hand. I went to Khoo Teck Puat Hospital and was given 3 days MC. Traffic police was at scene and the officer told me to lodge a report vide incident number J/20180423/0052 under IO Wati.
