CONTINUATION OF REPORT

Brief Details.

On 28/4/18 at about 1015hrs, I was travelling along AYE towards Tuas going to a Showflat at West Coast. I was travelling on the extreme left lane approaching Exit 11. When I was before the busstop, the lorry in front of me, bearing vehicle registration number GBE3360R, suddenly slowed down due to the traffic. In response, I also slowed down. However, the lorry behind me bearing vehicle registration number YN5526Y could not stop in time and banged into the rear of my car, resulting in my car banging into the lorry in front.

Due to the big impact, all the airbags in my car were activated. My passenger's left hand was bleeding and I called for the police and ambulance service. I managed to exchange particulars with the drivers of both lorries.

- 1) GBE3360R, Driver Muthukaruppan Pandiyan, G2588550W.
- 2) YN5526Y, Driver Dong Kanhong, G2732046K.

Ref Report D/20180428/0085.
