Brief Details.

On the 12/03/2018 at about 1835hrs, I was driving my vehicle, SJK1195M, along Simei Ave on the slip road towards PIE (Tuas), while traveling on the slip road, I slowed down my vehicle as I was about to filter into PIE, all of a sudden, vehicle SKP325Z, collided onto me at the rear of my vehicle. It was a ambulance. We got down of our vehicles and the paramedics made a check on us. My mother and sister were in the vehicle throughout the whole incident. My mother did not feel any discomfort at that point of time whereas my sister, Pang Chai Ping, felt a slight pain of the back of her head. Paramedics did a check and informed that there was a bump in the back of her head and asked if she would want to be conveyed by ambulance. She agreed and went to Changi General Hospital and given 3 days of MC.
