Brief Details.

On 25/06/2015 at around 2325hrs, I was driving my vehicle, SP52R, a Grey Mercedes from Malaysia back to Singapore. At the Woodlands checkpoint, I am travelling on the extreme left lane and I was proceeding through the lane. I stopped behind the car ahead of me. When the car ahead of me drove off, suddenly I saw a vehicle on my right coming and squeezing his way into my front. It did not manage to drive though and side swiped with my front right bumper area. I then came out to take picture. I asked for the particulars of the driver of the vehicle, JQD1015 and he just didn't wish to provide and keep insisting that I am in the wrong. I told him that we can either settle by going to the insurance or police. He then decided to leave the place without any further decision. I thought that no traffic police report was required since he did not wish to settle thus, I did not proceed to lodge any insurance or police report. On 19/07/2015, I opened my letterbox and discovered a letter from the insurance telling me that the Malaysian vehicle had claim insurance and I was told to lodge the Traffic Accident Report. No one was injured at the point of time. My vehicle and the Malaysian vehicle suffered minor scratches at the bumper area.

I was a front passenger seat of vehicle number SP51RG Grey Mercedes. At that time, we were queuing and stopped behind one of the vehicle ahead of us and suddenly the driver of Malaysian car number JQD1015 squeezed through our vehicle and hit our front right side of our vehicle and caused damaged to our vehicle. Our driver, Mr Tan Swee Kiam of SP51RG Grey Mercedes, went out of the vehicle to talk to the driver of Malaysian vehicle number JQD1015. unfortunately that the driver of Malaysian vehicle is uncooperative to settle the accident and even the driver of Malaysian vehicle doesn't want to exchange any particulars in regards to this accident and after that the driver of the Malaysian vehicle number JQD1015 just drove off in hurry.

Thanks
