Hi Bevan,

Sorry for the late reply as I was on leave.

Try to contact Insured, give 24 hours to submit the details of the witness to you and then please call the Witness and do the verification. If Insured fail to do so, tell the Insured that we going to settle the TP claim as they have provided with pictures that shows that Insured is at fault.

On the other side tell the TP that we have a witness statement and explain to them well.

Dear Sir/Madam,

ACCIDENT INVOLVING SP52R AND JQD1015 ON 25/06/2015

We refer to the above matter.

TP reported that after the secondary check TP drove of his vehicle and OI vehicle exited and collided to his vehicle.

OI reported that the front vehicle move off, OI saw TP vehicle on the right coming and squeeze to the front and didn't manage to drive thru and collided with him.

We called OI and confirm the details. He mention that he was coming out after the clearance and TP squeezed his way ahead and collided with TP. OI mention that he have a witness.

We have tried to contact OI to request for his independent witness but to no avail.

Based on both parties statement and scene photos submitted by TP. OI is coming out from the clearance and there was Stop line and TP is travelling straight. Therefore liability is not in our favour. Attached is the accident scene photo and email from TP for your reference.

Kindly let us have your instruction for our necessary action.
