Dear Mr Vic Alpeh,

**RE: ACCIDENT INVOLVING SKK8885Y AND FBG294H ON 19.04.2018 ALONG/ AT JUNCTION OF YISHUN AVE 2 AND YISHUN CENTRAL**

I refer to your letter dated 1 June 2018, ref: CC4/AIG18008341/Uha3.

I have just received your letter regard to settle a Third Party Claim against me for an accident happened on the above mentioned date and location.

Please refer below the police report that is being submitted/ reported.

Kindly also send me a copy of the supporting documents that the other party file for/ against, ie repair cost, medical fee if any, etc. If the amount is reasonable, I might be considering to go for private settlement instead of claiming the insurance.

Should you need further clarification or information, please do not hesitate to contact me.

Thank you.

Yours faithfully,

Dear Mr Kaleswari A/P Palani (Investigation Officer/ IO),

Please kindly find attached the particulars of the driver of SKK8885Y.

Apologies for the late reply as I am overseas from 3 May to 13 May 2018.

I have only returned back to Singapore yesterday and received this letter via mail.

Trusted that this is a misunderstanding case of Hit and Run accident on 19 April 2018 at 2235hrs.

The accident happened along Yishun Avenue 2 on 19 April 2018 at 2235hrs, I have stopped my vehicle at the traffic light junction with the other party vehicle FBG294H in front of me. While

moving off, my vehicle had touched the said vehicle FBG294H very lightly. I have stopped my vehicle immediately after that and allowed him to take photos of my vehicle from front, side and back.

If this is a hit and run accident, I would not have stopped my vehicle for more than 5 minutes allowing the other party to take photographs of my vehicle from various angles.

No police report was made upon the accident because no injuries were found/ happened at the point of time as the rider managed to stand up almost immediately within a single second and start taking photograph with his mobile phone. No major damages to both the vehicle SKK8885Y and FBG294H. Only light scratches found which can be polished off easily which I have did on my vehicle.

Due to no injuries and damages to both parties, we have come to mutual agreement not to pursue the matter and left the scene.

Yours faithfully,
