Dear Kian Meng,

We refer to your below email.

It was reported that Insured was hit behind by TP vehicle.

Our Insured had denied liability for this matter and we are still yet to receive any evidence from the Insured.

TP also did not provide any video footage. The latest email from TP on 06/06/2018 as attached.

In view of damages to both vehicle, please advise if we follow BOLA 27 as Insured may have likely completed the turn or due to conflicting versions and/or for your further instruction.

Thank you.
