Dear Cynthia,

We refer to your below email.

Please be informed that a copy of Insured's video footage was forwarded to you via accellion.

Based on the footage, Insured vehicle was crossing the junction with green light on his favour and TP was making a right turn from opposite lane when accident happened.

As such, in view of Insured's video footage, liability is to our Insured's favour and we intend to deny the TP claim.

For your approval and/or further insrtuctions please.

Thank you.
