The demand herein is in respect of our client's claim for damages pertaining to his motor vehicle and any settlement following or subsequent to this demand shall not prejudice our client's claim in respect of damages and consequential loss in relation to his personal injuries.

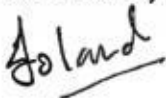

**Please note that your insurer has been notified of the accident on 5<sup>th</sup> February 2018 and a pre-repair inspection of our client's vehicle was carried out by your insurer's appointed surveyor.**

Please also note that if you are insured and you wish to claim under your insurance policy, you should immediately pass this letter and all the enclosed documents to your insurer.

Please note that you or your insurer should send to us an acknowledgement of receipt of this letter within 14 days of your receipt of this letter, failing which our client will have no alternative but to commence proceedings against you without further notice to you or your insurer. Our client's claim herein is quantified based on supporting documents in our file. Until a settlement is reached, all negotiations are conducted on the basis that the damages quantified herein are subject to revision if so instructed by our client.

Please also note that if you have a counterclaim against our client arising out of the accident, you are also required to send to us a letter giving full particulars of the counterclaim together with all relevant supporting documents within 8 weeks of your receipt of this letter.

Yours faithfully

**Brief Details.**

On 20/1/18 at around 1035hrs, I was driving my vehicle(SJQ5328P) along Alexandra road at the most left lane at the speed of roughly 70km/hr. When I was near to the bus stop B10279, I felt a sudden huge impact on my right and it resulted in my car heading up the curb. I alighted my vehicle and discovered that one vehicle(SHC8762X) has collided onto me causing my vehicle to be totally damaged. I wish to state that I did not know where SHC8762X came from as it was too sudden. After which we exchange particulars and I tow my vehicle to my workshop. As I am experience some pain on my left shoulder area, I will be heading to see a doctor after this police report. I also wish to state that I have the in car camera footage with my workshop. After viewing the CCTV footage from the rear view, I believe SHC8762X came from the most extreme right lane and collided onto me.
