Without Prejudice

Dear Jasmine,

We refer to the above matter.

We append below our Insured statement and sketch plan:

Accident Sketch Plan

On 07/05/2018 at around 1630hrs, I was driving my lorry bearing the registration number of GBE8904P along Thomson Road. I just drove out of a U-Turn and was cruising normally. Suddenly I was hit at my rear left side by a Taxi bearing the registration number of SHC5660B. I then stayed in the lorry to inform my boss about this and my passenger who was my colleague approached Taxi Driver however he refused to furnish his name and NRIC number. He only came out of the vehicle to take photo. He then drove off later. My lorry rear left section was abit scratched and dented in. I am unclear of the damage of the other vehicle.

I wish to add that there is no traffic police at scene and there is no ambulance as well. Nobody was injured in the accident. I am lodging this report for insurance and recording purpose.

According to our Insured driver, he was moving straight and TP taxi collided into the rear of the lorry left section and he is not sure of the damage to the TP taxi. There is no accident video and the accident versions are conflicting. As such, we propose settlement for 50% basis on a global sum of **\$3,308.00(all in).**

If you are rejecting our offer, kindly let us have the supporting evidence / proof e.g. video footage/witness statement/scene photographs/police investigation result to enable our Principal to review and revert.

Please confirm acceptance.

"Kindly note that this negotiation between parties on this matter is purely on a without prejudice basis with the sole intention of resolving the matter amicably without parties resorting to legal proceedings. In the event of new evidence being discovered or subsequently produced by either party that will materially affect/influence on the issues of liability/damages, either party is not bound, thereafter, by the negotiation terms/settlement."

Without Prejudice

Dear Khanchna

We do not agreed to your offer of 50% in liability. Based on both GIA report, our driver report and damage portion is more credible as the damage to the taxi is at the front right portion.

If base on your insured statement and sketch plan, the damage to the taxi should be at left front portion.

However we are prepared to settle our claims \$6,600.00 (all in).

Therefore please review the status and revert to us within the next 5 working days.

Thank you.
