Dear Sir/Madam,

ACCIDENT INVOLVING SKG 3071H & SJK 2226B ON 13/05/2018

We refer to the above accident where we are acting for AIG Asia Pacific Insurance Pte Ltd to resolve the claim against you and/or your authorized driver under the Auto Insurance policy taken up with them.

Kindly note that we have reviewed this matter and would like to advise that you and/or your authorized driver may not be absolved from blame for this accident.

If you have evidence/information to proof that we should not settle the third party claim, kindly let us have them in writing within the next 10 days i.e. by 31/05/2019, after we shall proceed with negotiation with Third Party claimant on the **without prejudice basis** and any settlement should not bind any claims whatsoever by you/your driver against the other party's insurer arising from this particular accident.

Please note that your No-Claim Discount (NCD) (if any) will be affected and reduced by 30% (20% for commercial vehicles) upon next renewal due to this Third Party claim. However, if your policy has a NCD protector feature, it will be deemed utilized for this claim and your NCD will be protected.

Please call us if you have further queries.

Yours faithfully,

Dear Khanchna,

You can download my front camera video recording from this link : [20180513_072239 N.mp4](#)

Please scroll on the video. Accident occurred between 1:23 to 1:25 video segment. Kindly note the following :

- 1) Video segment 1:21 - 1:22 shows that I have already driven past the other vehicle and the driver should have seen me already
- 2) Video segment 1:23 - 1:25 shows that my car was shaken as I was hit by the other vehicle. The attached photo of my car shows that my rear wheel and door was hit by the other vehicle.
- 3) I am driving on the OUTER MOST LANE when the other vehicle hit my rear wheel and door.

I hope this information would suffice and will facilitate your investigation. Note that my NCD was already reduced since my past year and recent insurance renewals due to a third party claim, that in my humble opinion is not warranted as my REAR door and REAR wheel was hit by the other vehicle!!! To be very honest, I am very disappointed that I was penalised on an accident that was not caused by me.

Do let me know if you need further information...

Thanks,

Khanchna (LKK Auto)
