Subject: [IA2018-37264] - Insured: Automobile Association of Singapore and/or Autoswift Recovery Pte Ltd - Re: Damage to TP vehicle SKR1163G on 25/4/2018

Dear Mr Bryan,

We are the Loss Adjusters appointed by Liberty Insurance Pte Ltd to look into a Public Liability matter.

This incident involves overheating damage to the Third Party's car.

We met your colleague, Mr Naz, on 2 May 2018 for the survey. We noted that one of the pistons had cracked and the Third Party's workshop had sent the engine block for overhaul.

Below are brief details of the incident:-

- Third Party's Car
- Model : Toyota Altis
- Registration no: SKR 1163G
- Remarks : Overheating causing engine to cease

We require your assistance to provide us with a technical report and repair assessment on a "Without Prejudice" basis.

Kindly inform Mr Naz to liaise with us for this matter.

Please do not contact the Third Party without our consent.

Thank you for your kind assistance and we look forward to receiving the report in due course.

Please do not hesitate to contact me should you have any further enquires. Thank you.

Best regards,

Anita Quek
