Brief Details.

On the above mentioned date, time and location. I was driving along Depot Road towards Alexandra Road. I stopped at the traffic junction as it was a red light. I saw a Female Korean pedestrian who waiting to cross the road, she showed an expression of shock towards my direction. Suddenly I felt an impact from the side and a yellow taxi mounted on to the kerb on the left of my vehicle. The taxi had stuck a traffic light and also a zebra crossing pole. The pole had fallen on to a public bus's windscreen causing it to shatter.

I got out of my car and checked on the pedestrian, drivers and passengers. I also called for the police. The taxi passenger suffered an injury below his eye. I took photos of the accident and also the damage to my car. My car suffered damage to the left front corner. I noticed there is damage to the left side kerb before the traffic junction.

Police then attended to us and we were advised to lodged a police report.
