CONTINUATION OF REPORT

Brief Details.

On 04/05/2018 at about 1159hrs, I was riding my motorcycle V1) JSQ5763 with a pillion along Senoko Avenue towards Admiralty Road West . Upon approaching a T-junction ahead of the said road, I was on the right lane turning right. The traffic light shown Red light hence I stopped behind the stop line and wait for it to turn Green. I notice there was a trailer V2) XE576U behind me. While waiting for the traffic light to turn Green, suddenly I felt an impact from my rear and fell off from V1. I then moved away from my motorcycle as V2 continue to move forward and drove over V1. Subsequently, V2 stopped and the driver came down. V1 was totally damaged, and unable to move however V2 did not sustain any damages and no one was injured. Afterwards, the driver of V2 uses his trailer's crane to carry V1 and tow V1 the nearest workshop to get it repaired. Traffic Police and Ambulance was not at scene. No Government Property was damaged. No Pedestrian/Cyclist was involved.
