Dear Sirs/Madam,

ACCIDENT INVOLVING PC 6655R (AXA) & SKE 4361A ON 17/05/2018

We refer to the above matter.

We have reviewed the matter and we are of the view that our driver is not liable for the accident. Based on video footage, your client tried moving out from slip road (did not stop before stop-line). Your client should exercise greater caution towards on-coming traffic before moving out from slip road. Hence, we opine your client is the proximate cause of the accident.

In view of the above, we have our principal instruction to deny liability and unable to look into your client's matter.

Thank you.

"Please note that our proposal and correspondence with you is strictly on a without prejudice basis and should not be construed as an admission of liability on our part and/or that of our policyholder and/or the authorised driver. The terms of our without prejudice engagement should not be disclosed in any other related matter(s) in respect of this accident nor should it be binding in any other related claims."

Best Regards,
