**Brief Details.**

On the 22/05/2018 at about 1105hrs, the taxi I was driving, 'SHD9181K' was stationary at the traffic light at the straight road of Gambas Avenue. I was on the second lane, and the second car, while waiting for the traffic light to turn green. However, I suddenly heard a bang from behind, and my taxi jerked forward. I then realised that a vehicle that was changing from the 3rd to the 2nd lane of the road, namely 'SJC7277M' had bumped into the left rear of my vehicle.

There were 2 passengers alongside me in my car:

1. Nurul Jannah (96322670)
2. Nurul Amairah (91724752)

After the collision, I asked my passengers if they were ok and if they needed an ambulance. However, they declined as they were on their way to the hospital as well, so they would get the doctor to assess their condition anyway. I then got down from my taxi to take photos of the scene and to exchange contact details with the other driver. No ambulance, traffic police or tow truck was called to the scene. There was also 1 passenger inside the other vehicle.

I had sustained the following injuries due to the impact of the collision: Stiff neck and lower back pain. I then went to seek medical attention at Doctors Inc. Medical Group. I was granted 3 days of medical leave from 22/05/2018-24/05/2018, no hospitalisation required.
