Dear Vivian

We are not agreeable with 50% liability.

As per your insured statement, he mentioned he was making left turn and he was on the outer lane, where our insured was on the extreme left lane (inner lane). Obviously, It was your insured cut into the front from the left in order to enter the gantry. Our client vehicle was pushed to left. Attached are some scene photos taken by our client for your perusal.

Please let us have the revised offer.
