CONTINUATION OF REPORT

Brief Details.

On 02/05/2014 at about 1000hrs, I was travelling along the slip road from BKE into KJE. During the period of time, the traffic was heavy and there was a jam at the said location. I then stopped my vehicle at the slip road as the vehicle in front of me stopped.

While waiting for the vehicle in front of me to move off, all of a sudden I heard a loud bang coming from the rear of my vehicle. I then made a checked and discovered that one bus bearing the vehicle number of PH2672R have hit my vehicle. During the period of time we agreed to claim through insurance as nobody was injured during the period of time.

Subsequently both me and my colleague went to the Khoo Teck Puat Hospital as we felt pain on our neck and body, We were then given several days MC individually from the accident.
