

## SINGAPORE ACCIDENT STATEMENT

### IMPORTANT NOTICE

1. Please report correctly the details of the accident to speed up the claims process.
2. This Form must be completed by the Policyholder and/or the Authorised Driver.
3. Information provided must be as truthful and accurate as possible. Any wilful misrepresentation or withholding of material facts may allow insurance companies to repudiate policy liability.
4. The issue and acceptance of this Form by insurance companies is not an admission of policy liability on the part of the insurance companies.
5. **Any false reporting may be referred to the Police for investigation.**
6. This report will be forwarded by the insurers of the GIA Records Management Centre established by the General Insurance Association of Singapore (GIA) for archiving and that copies of this report will, for a fee, be made available upon application by interested parties.
7. By the lodgement of this report to the insurers, you hereby consent to the archiving of this report at the centre and to copies of the report being made available aforesaid.

### Brief Details.

On the 29/05/2018 at about 1140hrs I was travelling along Havelock rd turning left into new market road with my vehicle bearing plate number FT4601M I had made a check and had signaled before turning left when another motorcycle FBH5629M had collided into the rear of my vehicle.

The said rider then fell from his bike and suffered some injuries such as abrasion on the left knee and he complained of pain on his wrist whilst myself I suffered some pain and swollen on my left thigh. I assisted to move the other rider's vehicle and exchanged particulars. No government property damage, no police attended to us and no one was conveyed via ambulance.

For my vehicle the rear seat cracked upon whilst the other rider left side part of the vehicle had some scratches. I am lodging this report for insurance claims.

**Brief Facts.**

I am lodging this report to provide more detail on the accident.

I wished to state that on the 29/05/2018 at about 1140hrs, I was travelling on the second lane from the left along Havelock Rd with my vehicle bearing plate number FT4601M. I wanted to turn left into New Market Road as such I signal left and check my blind spot before filtering to the most left lane. While I check my blind spot, I saw a motorcycle (FBH5629M) still a distance away from me at the most left lane. Both his vehicle and my vehicle was maintaining around the same speed for around 50 - 100 meters before I slowed down as I was approaching New Market Road.

I slowed down for around three seconds before making a left turn into New Market Road. While I was turning left, the said motorcycle (FBH5629M) collided onto the rear of my vehicle.
