Without Prejudice.

Dear Vic / KK Lau

We refer to our several follow up telephone conversations with you.

The video footage was forwarded to you on 27.06.18. It clearly showed liability is 100% down on your insured driver.

On the contrary, for the past two months, you have been telling us that your insured driver had strongly denied liability.

We believe you and your Principal should be able to handle your driver. Anyway, kindly forward your offer or to repudiate liability and concur case to be escalated to GIA.

Please revert favorably.

Thank you.

Best Regards

Dear William,

We refer to the subject matter and to our telephone conversation earlier.

As spoken, our Insured had still denied any liability for this matter even with the video footage from your client.

We are now seeking for further instruction from our principal and will get back to you for an update the soonest time.

Thank you.

Dear Vic

Attached video footage as requested. Taxi was moving slowly to ensure the red car on the right had come to stop before making a right turn. Your principal's insured was impatient, overtook from the rear against the flow of traffic and initiated the accident.

Kindly settle our PD claim as per BOLA S33.

Thank you.

Dear William,

ACCIDENT INVOLVING VEHICLES SLD 338M AND SHB 6646S ON 28/05/2018

We refer to the above matter and we confirmed in receipt of the LOD.

Please be informed that our Insured Driver had reported and insisted that your client was stationary without any signal lights on and made the turn when the collision happened. Please see below statement.

We had spoken to our Insured in which he had strongly denied liability for this matter.

As such, we would like to request for any evidence e.g. video footage for our further action.
