Hi Vic,

Thanks for confirming (a).

On (b) - do let us know if AXA can handle the scrapping of the vehicle and pay us one lump sum (including the PARF and COE rebate) too.

Would you be able to get back on (b) by tomorrow (19 Jun)? Thank you.

Thank you.

Dear Alan,

We refer to your below email.

Please be informed that the(a) Repairable Limit of your vehicle as per our surveyor recommendation is at \$11,000.00 subject to our principal's approval.

We are also currently pending instructions from our principal on the (b) total amount to be compensated.

We will update you once again with regards to the (b) total amount once confirmed.

Thank you.

Best Regards,

Subject: Repair / total loss cost for SGY6828A

Hi Vic,

We spoke this morning. Thanks for your assistance so far.

As discussed, please let us know the details for (a) what is the repair cost ceiling for third party claim from AXA, (b) how much will AXA pay out for a total loss claim.

For (b), do let us know the process, timeline, paperwork and miscellaneous fees involved too.

Thank you.
