Dear Sirs,

ACCIDENT INVOLVING SLQ 7309H(OI-LCR) & SHB 1699Y(TP) ON 29/05/2018

We refer to the above matter.

Third party reported the he was making a U-turn while the traffic light was green in his favour. Suddenly OID did not stop at the red light and collided onto third party taxi.

OID reported that he was travelling at Sentosa Gateway. It was raining, he could not stop in time and hit onto third party taxi who was making a U-turn.

Attached here with a copy of video footage from third party for your easy reference. The video shows that third party made a turn while traffic light "green" in his favour. We are of the view that third party version is more credible and liability is not in OID favour as third party has the right of way. We propose to settle the matter at best.

For your comments / instruction.
