Without Prejudice

Dear Sharon,

We refer to the subject matter.

Please be informed that our principal had further reviewed the matter and based on the available evidence provided, our principal is in the view that our Insured is not liable of this accident. Please refer to the attached video footage for your reference.

Our Insured had already completed the turn and was on the main road when your client did not slowed down and stopped to give way to the vehicles on the main road.

As such, we have our principal's instruction to deny your client's claim in view that your client should have gave way to our Insured when turning.

Thank you.

Best Regards,

DESCRIBE CIRCUMSTANCES OF THE ACCIDENT

I drove out of James Cook University Campus.  
 It was a right turn out of the campus onto Sims Drive.  
 I saw a grey car coming out of the carpark on my  
 left. It was moving slowly and I didn't have any  
 indication that the driver wouldn't stop to let me pass.  
 I drove past the car and felt the impact when the  
 other car hit my side passenger doors.
