**Brief details.**

Sometime in March to April 2018, I received a call from 81967511 and the person claimed to be Chia, a car workshop mechanic. Chia asked me if I am Tan Bee Bee and asked if vehicle GX6939T belongs to me. I acknowledged and he told me that he is calling on behalf of Soh but I do not know who Soh is. Chia then asked me if I wish to settle the accident matter privately. I told him that I will consult my insurance before making a decision. After which, there was no call or messages from him.
