Dear Vic,

I refer to your email offer and thank you for the email.

However, client is not agreeable to the offer .

During the period of repair, he has lost usage of his car for his business ( Private Hire ) and our standard rental car cannot be used as Grab car due to the different classification of car.

We had submitted his full 8 weeks of Grab Car earnings to show that his earnings has been consistent at \$200/day as such we are requesting for \$200/day.

Client is prepared to compromise if Insurer can offer fairly to compensate him for his loss of income due to the negligent action of India Insured driver. It is unfair for him to be unduly penalise with loss of earnings due to the action of your driver.

Pls do review and re-offer fairly to our client's claim.

Thanks

Regards
