**Brief Details.**

On 29/03/2017 at about 1850hrs, I was driving my car (SHD 899H) along Nicoll Highway towards KPE. I was on the outmost left lane. While driving, another car (SJC 1685H) turn out from slip road of Java road to Nicoll highway. The driver did not wait for the major road, left lane, to be cleared before merging. While I was driving, he merged into Nicoll Highway without checking his blind spot. As such his car collided into my car's left side. I then horn the driver to stop however he continued to drive away. The driver was busy talking to the front passenger. I only managed to get his vehicle number. My car's left bonnet was dented and the paint chipped off. I also suffered snuff neck and arms and swollen left ankle due to the impact. Subsequently I went to the hospital and was given 5days outpatient sick leave. I am not sure about the damages on his car.

I have a car camera but I need to check whether the incident is recorded. I will be reporting this matter to my insurance as well. I am lodging this report for police to take action against the driver.
