Without Prejudice,

Dear Ying,

We refer to the below matter.

Our insured has reiterated that the accident was caused due to the negligence of your client.

Based on video footage, it can be seen that our insured vehicle was travelling along within in his own lane and your client's vehicle cut into our insured lane and collided with our insured vehicle.

Under such a circumstances, we are denying liability and unable to look into your client's claim.

Yours faithfully,

Best Regards,

Hi Thin Thin,

Can you provide us your insured scene video? Your insured mention in the report "our car has in-car camera".

Thank you

Best Regards,

Sebastian

Hi Sebastian,

We refer to the above matter.

Please be informed that basing on the accident statements submitted by both party, the liability is unclear for the above mentioned case. There is no conclusive evidence to substantiate either party's version. Enclosed herewith is a copy of our insured's accident report for your perusal.

We are in a course of investigating into the circumstances of the accident. After verifying further with our OI we will revert with our opinion on the cause of the accident. Kindly do not refer to any party for legal assistance until you heard further from us.

Meanwhile, we would like to request the CCTV footage / accident scene photos / PIR result / evidence in order to seek further instruction from our principal.

Best Regards,
